II. BASIS FOR JURISDICTION

What is the basis for federal court jurisdiction? (*check all that apply*)

☒ Federal question ☐ Diversity of citizenship.

A. If the Basis for Jurisdiction Is a Federal Question

List the specific federal statutes, federal treaties, and/or provisions of the United States

Constitution that are at issue in this case.

28 CFR Part 35 Non-Discrimination on the Basis of Disability in State and Local

Government Services (ADA)

III. STATEMENT OF CLAIM

Write a short and plain statement of the claim. Do not make legal arguments. State as briefly as possible the facts showing that each plaintiff is entitled to the damages or other relief sought. State how each defendant was involved and what each defendant did that caused the plaintiff harm or violated the plaintiff's rights, including the dates and places of that involvement or conduct. If more than one claim is asserted, number each claim and write a short and plain statement of each claim in a separate paragraph. Attach additional pages if needed.

The Washington Courts maintain a practice of discriminatorily and retaliatorily denying due process to individuals with disabilities, and of responding to Reasonable Accommodation Requests with deliberate indifference. Whatcom County Prosecuting Attorney George Roche retaliated and interfered with Plaintiff's civil rights by collaborating with a private attorney opposing the Plaintiff, while *ex parte* advising the courts to deny disability accommodation. The discrimination is on-going, and increasingly serious. (See attached pages)

IV. RELIEF

1. Injunctive relief from on-going discrimination, including a stay against the Washington Courts preventing them from sanctioning Ms. Langworthy for exercising her rights under the ADA by prohibiting her from appealing or otherwise exercising her right of access to the courts.

2. Retrospective relief for harm done, including monetary damages where available.

Pro Se 1 2016

1 3. An injunction requiring the Washington Courts to appoint a Guardian ad Litem or a
2 cognitive interpreter to a litigant with hidden disabilities, upon the individual's request.

3 4. Mandatory sensitivity and awareness training to prevent unconscious bias.

4 V.
